Valley CDC has been training folks to achieve homeownership for years. We provide homebuying consumer education and are now available to provide special, first time homebuyer counseling for Easthampton residents.

- Understand the homebuying process.
- Learn what subsidized mortgage programs are available to First Time homebuyers.
- Gain information on low down payment and 0% down mortgages.
- Find out about down payment and closing costs assistance for Hampshire County First Time Homebuyers.
- Receive help with credit repair and debt reduction.
- Avoid predatory lending and home repair scams.

If you'd like help navigating the homebuying process, please contact Fern Selesnick, Homebuying counselor, at (413) 586-5855 Ext 16 or fs@valleycdc.com
